

Student Care Insurance

Information Sheet

The Chubb Group Personal Accident Cover covers all currently enrolled students and provides benefits for a range of medical services, such as dental and physiotherapy costs which have been incurred as the result of an accident. Additional expenses such as medical expenses, emergency transport and home tuition are also payable under the policy.

Cover under the Policy applies whilst a currently enrolled student is engaged in school Education Activities.

Important notice about medical expenses

Chubb cannot pay all medical expenses. They are prohibited under the Federal Health Legislation (including the Health Insurance Act 1973) from paying any Medicare rebate including the Medicare gap. This cover is not a substitute for health insurance, and should not be compared to health insurance.

We are only permitted to provide cover for the cost of any hospital treatment or other benefit if the cost arises from an injury whilst taking part in school arranged Education activities, such as:

- attending school/college
- engaging in a sporting activity
- undertaking a work experience program
- providing voluntary services to a religious, charitable, educational or benevolent organisation
- school camps
