Principal's Welcome St Lawrence's Primary School, Bluff Point

My name is David Tunchon and along with the staff, I am delighted to welcome you to St Lawrence's Primary School, Geraldton.

At St Lawrence's we are proud to offer an education that is embedded in the values and traditions of the Catholic Church within the charisms of the religious orders who have come before us – the Presentation Sisters and the Sisters of Nazareth. With our motto 'Love and Serve the Lord', we work to ensure that each person is supported in their endeavours to show love to all through service in, and around our community.

Our vision statement, 'With Christ as our model, we seek to nurture our community in an environment that enables all to grow' gives voice to our yearning for justice, compassion and inclusivity.

At the heart of our school ethos is the Fruit of the Spirit – love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control (Galatians 5:22-23).

Building upon the work of so many before us, we acknowledge that St Lawrence's is recognised as a place of quality teaching and learning with a strong school and community spirit. We are driven by the belief that every person is capable of success and we value an emphasis on religious and spiritual growth, rigorous educational and physical programmes, restorative student management strategies, open and honest communication, and authentic and compassionate interactions.

Our core work of education is informed by our belief that all children have the right to a well rounded and robust education underpinned by positive relationships and the knowledge of God's presence in our daily lives.

St. Lawrence's School endeavours to create a safe, friendly learning environment that is developmentally appropriate and child centred. Children are encouraged and skilled to take responsibility for their own behaviour and learning. Our learning programmes focus on what the children are expected to know and how they can apply and use this knowledge and skills. Learning experiences that involve team work, sharing ideas and applying learning, give children the opportunities to acquire lifelong learning skills, such as social and group skills, complex thinking skills, and multiple ways of knowing.

In accepting a place for their child at St. Lawrence's, parents agree to support the policies, goals and rules of the school and to actively participate in the various school events.

LEARNING

We place emphasis on the education of the whole person and aspire to create learning environments where each person is supported and encouraged to be actively engaged to reach their potential.

DISCIPLESHIP

Our school community gives daily Christian witness through nurturing the 'Fruit of the Spirit' and our school motto, 'Love and Serve the Lord' provides a model where Pastoral Care is provided for all.

ST LAWRENCE'S MISSION STATEMENT

At St Lawrence's we endeavour to engage all members of the community in achieving our school vision and goals. We value respectful relationships using clear communication.

We value Religious Education as our highest priority being a fundamental part of our curriculum where staff model positive interactions in the school, the parish and the wider community.

We place emphasis on the education of the whole person balancing intellectual, emotional, social, spiritual and physical dimensions. We aspire to create learning environments where each person is supported and encouraged to be actively engaged to reach their potential.

The Key Learning Behaviours underline all our teaching practice. Setting Goals, Communicating with Clarity, Accepting Challenges, Actively Listening, Persisting, Risk Taking, Being Reflective, Self Regulating, Being Accountable and Learning from Mistakes are integrated in our teaching and learning.

All assessment is carried out for authentic purposes, providing data that is relevant and informs learning. Effective feedback strategies are modelled and taught throughout the school and each person is encouraged and supported to take responsibility for their own learning. We develop this reflective practice throughout the school using formal and informal feedback.

We continue to be a school community that makes a positive difference in the lives of all, by providing each child with a Catholic education based on the values and teachings of Christ. Our school community gives daily Christian witness through nurturing the 'Fruit of the Spirit'. The school motto, 'Love and Serve the Lord' provides a model where Pastoral Care is provided for all.

SCHOOL PRAYER

Jesus, you had things to learn when you were young.

Whatever we do each day, help us always to do our best.

We thank you for our school, all the staff, children, parents and everyone who helps us.

St Lawrence was thoughtful and kind. May we learn to be like him.

We ask you to help us live our school motto,

"Love and Serve the Lord."

Amen

OUR EMBLEM AND MOTTO

The cross stands for Jesus Christ who calls us to follow him.

The flame and the grille represent St Lawrence.

The sun reminds us of Jesus, the light and centre of our world. It also signifies Geraldton, known as Sun City.

The motto “Love and serve the Lord” states simply what is the ideal for those at St Lawrence’s.

WHO WAS ST LAWRENCE?

St. Lawrence who was born in Spain in the third century became one of the seven deacons of Rome and eventually archdeacon to Pope St Sixtus II. He was the distributor of alms, and “keeper of the treasures of the church” in a time when Christianity was outlawed. After Pope St Sixtus II was condemned to death, he predicted that St Lawrence would be martyred three days after him.

The Pope and the other six deacons were beheaded, leaving St Lawrence as the ranking Church official in Rome. In preparation, of his death St Lawrence sold many of the Church’s possession and donated the money to the poor.

When the prefect of Rome heard of this, he demanded from St Lawrence all the treasures of the church.

St Lawrence presented to the prefect all the blind, crippled, poor and orphans and said, “Here are the true treasures of the Church; they convert our alms into imperishable treasure for us. “ Furious, the prefect sentenced St Lawrence to be tied to a red hot griddle and burned to death. St Lawrence not only bore the agony, but in the middle of his torment instructed the executioner to turn him over, as he was grilled enough on the one side.

It is said that when the remains of St Stephen the Protomartyr were moved to the tomb of St Lawrence, St Lawrence’s lifeless body moved aside and extended a hand of welcome to the body of St Stephen.

St Lawrence’s Feast Day is 10 August.
